Chairman's Message

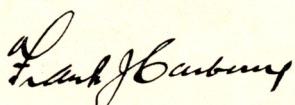

Since last speaking to you through this column, your General Committee has met and re-constituted the various Sub-Committees necessary for the efficient functioning of the Club.

You will see the names of those who will serve on these Sub-Committees listed under the appropriate headings in the adjoining column.

In these selections we have tried to make the best possible use of the various skills and talents which we are fortunate in having available to us through the Committee members. I think you will all agree, after a perusal of the lists, that this has been achieved.

I would like all members to know that the attitude of intense interest and enthusiasm with which your Sub-Committeemen are approaching their various tasks promises great things for the future. I'm sure that you can all look forward to a period of even greater achievement in the months to come, for the smooth operation of the Club's affairs is in good hands indeed.

In conclusion, I would like to take the opportunity of thanking the members who sent me good wishes whilst I was in hospital recently. These expressions of sympathy and encouragement were most welcome, and I appreciated them very much indeed.

CLUB MEMBER HONOURED AT DINNER

Member Robert Webster received a signal honour last month when a dinner was given for him by Sydney's leading business men and political leaders at the Chevron Hilton Hotel. The Premier, Mr. Heffron, and the Leader of the Opposition, Mr. Askin, attended, together with about 200 guests.

Robert Webster is Chairman and Managing Director of Bradford Cotton Mills Ltd., Chairman of Directors of Felt and Textiles of Australia Ltd., and Deputy Chancellor of the University of N.S.W. As most of our members will recall, he was honoured in the Queen's Birthday List in 1958 with a C.M.G. for outstanding services to the textile industry.

In his address at the dinner, the Premier said that Mr. Webster "was a great Australian of our time." He also said: "We will always remember Mr. Webster for his achievements."

Your fellow members here at Tattersall's would like to add their congratulations to those expressed at the dinner, Bob, and say that it is indeed an honour to have you amongst their numbers.

ALF COLLINS RETIRES FROM HOUSE COMMITTEE

If you look down the list of Committee and Sub-committee members in the front of this magazine you'll find one very familiar name missing from our House Committee. It is that of Alf Collins, who has been a member of this important and hard-working body for many years. During that time he worked with enthusiasm and purpose, and earned the respect and admiration of his fellow House Committeemen.

Unfortunately, other commitments now preclude Alf from giving the time he considers essential to this duty, and he has stood down to make way for someone who can.

SENIOR MEMBER HOSPITALIZED

Our members were sorry indeed to hear that John Goulston, one of Sydney's veteran businessmen and popular Club regular, was in hospital last month. John, it will be remembered, joined Tattersall's when he was 90 years of age, a time when most men are busy resigning from such institutions. Since that time he has been a regular attendee to the second and fourth floors.

The exact nature of John's illness is not known at the time of writing, but it is hoped that it is not of a serious nature. Your many friends and admirers at the Club wish you a very speedy return to good health again, John, and hope to see you back again with them in the very near future.

BIG BREAK FOR OLD HAND

One of the best breaks in the Club Billiards Tournament to date was that made by Bill Longworth on June 21. The veteran of our tables made no less than 134, a fine effort judged by anyone's standards, and a tribute to his skill and concentration. Congratulations, Bill, and we hope that you'll make many more similar breaks during the tournament.

WORD FROM LIONEL DARE AND BRAHAM MOSES

Cards from overseas last month bring us news of two Club members who are travelling abroad. One is from Lionel Dare, who wrote from Moscow, where he was currently visiting. Of the city, he says: "This is a modern and beautiful city, full of interest." Lionel arrived there via Bangkok, India and Hong Kong. He sends his regards to all his friends in Tattersall's, especially to the "third floor boys."

The other card was from Braham Moses, and was postmarked London. Says Braham: "We are enjoying beautiful weather in London. Both Helina and I are very fit and happy." Braham goes on to say that they are enjoying a wonderful trip, and both find London very colourful and progressive, with much building going on. He sends his good wishes to all at Tattersall's.

To both these members we send highest regards and best wishes for the happy continuation of their respective tours.

WALKER FAMILY RETURN FROM OVERSEAS

Back in Australia once again after a five months' round-the-world tour are Allan Walker, Mrs. Walker, and their charming daughter, Diana. Allan says the whole family were most impressed by their tour, particularly so with the general prosperity everywhere.

Of special interest to racing enthusiasts is the fact that Allan saw the first race meeting ever to be held in Israel. It was quite a pretentious affair, and a great deal of interest was shown in the event.

It's very nice to have you back with us, Allan, and to know that you and your family enjoyed the trip so much.

Chairman knocked down by car

In a most unfortunate accident on the very eve of his election to office our Chairman, Frank Carberry, was knocked down by a car. He had just left the Club, and was in a clearly marked pedestrian crossing when the accident occurred. He was taken immediately to St. Vincent's Hospital, where an operation was performed. We are glad indeed to report that, at the time of writing, he is well along the road to good health again and, although his injuries were not of a very serious nature, he spent a most uncomfortable fortnight.

Frank's greatest disappointment was that he was unable to be in the Club on the night of the Annual Meeting. At the time he was hoping that there would be some way in which he could attend, but, naturally enough, his doctors ruled it right out of the question.

He did, however, manage to talk his medicos into permission to attend the first Committee meeting of the new Committee. On this occasion he left hospital and was brought into the Club at considerable personal inconvenience, as he felt that, because Sub-committees would be formed at the meeting, it was a most vital one in the Club's affairs.

We are now very happy to report that our Chairman is out of hospital and convalescing at home. By the time this paragraph is in print he will undoubtedly be a regular visitor of the Club.

Through this column all members would like to send their best wishes, Mr. Chairman, and their hope for a complete recovery for you.

HOTTED UP

Our genial new member, Charles K. Urquhart, rather despairs of the younger generation after a recent happening in his own family. It seems that his son Bruce has always been something of an enthusiast for fast cars and, even though he is just barely out of his 'teens, he has driven many makes in many trials and competitions. Up to recently his current car was a Jaguar, notoriously capable of high speeds, a fact that Bruce was highly delighted to take advantage of. So much so, in fact, that Mrs. Urquhart became quite worried about the family heir.

She and Charles had a long talk about the situation, and decided that perhaps it could be resolved if Bruce could be persuaded to exchange his Jaguar for a new but more sedate vehicle for his twenty-first birthday.

Knowing Bruce's tastes, Charles approached him on the subject with some trepidation. His worries melted away when, much to his surprise, Bruce readily agreed to the proposal and, in due course, became the owner of a Holden station waggon.

The senior Urquhart's satisfaction was short-lived, however, for when Charles got in the waggon one day a week or two after Bruce took delivery of it and pressed the accelerator, he was nearly thrown over the back of the seat. Bruce had "hotted it up" to such an extent that Charles is wondering whether it wouldn't have been better to have let him keep the Jaguar.

TO THEM THAT HATH . . .

News came to us last month that popular member Dave Mackie, who hails from Newcastle, had the good fortune to win fifth prize in a recent lottery. Wonderful news, Dave. All your Sydney friends are very glad to hear it and, incidentally, are waiting for your next visit to our city to help you celebrate.

Might we mention at this stage that the heading to this paragraph is not ours, but was suggested by one of your very good friends, who shall be nameless here, but whose identity you should have no trouble in guessing.

CAPTAIN JOHN WARNE BACK TO ORIENT

Harry Warne tells us that his son, air captain member John Warne, has returned to the Orient after a couple of years' sojourn in Australia. Many of John's friends will recall that he was previously with Cathay Pacific Airlines, but returned to Australia to fly with a commercial charter company. His stay in Hong Kong will be no new experience for him, as he will be re-visiting his old stamping ground. He is to fly with Macau Air Transport, a well-known company in China.

Your Club friends wish you all the very best of luck in your new post, John. They are sorry to lose you, but hope that your visits to this country will be regular, and that they will be able to renew friendships with you from time to time.

HOMER JONES ATTENDS GREATEST EVER INTERNATIONAL ROTARY CONFERENCE

Homer Jones, accompanied by his wife, attended the 52nd annual Rotary International Convention held last month in Tokyo.

They travelled by the S.S. "Iberia" via Auckland and Suva, together with 1,100 Rotarians from Australia and New Zealand. It was the greatest convention in Rotary history, and was attended by more than 22,000 Rotarians and their families from 70 countries. Australia was third on the list with 800 registrations.

The Emperor of Japan opened the Convention, and this was the first occasion he had ever addressed an international gathering of a non-governmental organisation, which was a great tribute to Rotary.

Whilst in Tokyo, Homer and his wife were guests of the President of the Japan racing Association at the Japan Derby, which was held on a Sunday. There were 100,000 present, and the racing was of a high standard, being run on a turf track with stalls start and photo finish.

A field of 32 faced the starter. The event was won by the favourite, Hakusho, ridden by jockey Yasuda.

After a short stay in Japan, Homer and his wife travelled by Qantas to Hong Kong for a few days, and then back to Sydney, after a most interesting holiday.

PAT PORTER BACK IN AUSTRALIA

It was nice to see Pat Porter back in the Club again after his lengthy absence during his round-the-world trip. He was looking fit and well, and informs us that both he and Mrs. Porter, who went with him, had a wonderful time. While in New York he saw a lot of fellow member Adolph Basser, and they enjoyed many a pleasant hour together in that great city.

Of American racing, Pat repeats his earlier opinion: that it is much more impersonal than ours over here. But of the courses he is enthusiastic. He says they are very up-to-date and provide excellent public amenities. He also says that racing control is much more organised. A film is taken of every yard of each race, not only from the side-on view, but from the front as well. This can be run by the stewards after the event, either at full speed, slow speed, or it can be stopped at any particular point. In this way even minor riding faults can be readily detected.

Pat feels that the standard of their horses is no better than ours, and that our best would more than hold their own over there.

SEQUEL TO HEART DONATION

Last month we mentioned how Tom Farrar had made a spontaneous donation of £50 to the Appeal on hearing that he had won an £80 prize during our Club "Heart Night," only to remember later that he had promised to share the ticket with Jeff Belot. Well, Jeff "came to the

party" in fine style. He had heard about the incident before collecting his share of the prize and, when Tom attempted to pay him, insisted on sharing the donation as well.

MEMBER QUARANTINED

Bruce Kennedy seems to have been somewhat in the news of late, and here he is again. This time, however, for a not very happy occasion, for he was laid low last month with a dose of the MUMPS. At the time of writing Bruce was confined to bed, as is usual in these cases, but by the time this paragraph gets into print he should be up and about again, and back in the Club for his usual round or two with his friends.

Sorry to hear of your indisposition, Bruce.

EX-COMMITTEEMEN HONOURED WITH LIFE MEMBERSHIP

Three of our recently retired Committeemen have been honoured with life memberships for their outstanding work on behalf of Tattersall's over the years. They are John Hickey, William Sellen, and George Chiene, who have had 58 years of collective Committee experience between them. John Hickey was a Committeeman for 24 years and Chairman for 12. Bill Sellen was a Committeeman for 12 years, and George Chiene for 25. This experience in Club administration will be sorely missed, but all have expressed their desire to be of assistance whenever called upon. Their life memberships are just rewards for their unselfish devotion to the Club affairs over the years, and a fitting tribute to three men who have earned the respect and friendship of their fellow members.

John Hickey is one of Sydney's best-known legal men. In practice on his own from the age of 30, he took his son, well-known member John Hickey, Junior, into partnership soon after the war, and more recently, on John Junior's admission to the bar, has joined legal forces with his life-long friend and colleague, K. D. Manion.

John joined Tattersall's 33 years ago and, during the time that has elapsed since then, he has been an enthusiastic member, always with the good of Tattersall's close to his heart. He has fostered our Club's Sports Committees' activities during his long membership, and has been keen for their successes.

Elected to our Committee in 1937, he was at the helm of our affairs during the post-war period when we have made considerable progress and entrenched our position as one of Australia's leading clubs.

Mr. GEORGE CHIENE

Elected Member of Club 6/8/1929; elected to Committee 6/5/1936; retired from Committee 7/6/1961.

George Chiene has for many years been one of our veteran members, having been elected to Tattersall's way back in 1929. He has also been a veteran Committeeman, having, up to his recent retirement, served in that capacity since 1936.

George is a noted authority on racing and the history of the turf.

Mr. J. HICKEY

Elected Member of Club 23/4/1928; elected to Committee 5/5/1937; elected Treasurer 8/5/1946; elected Chairman 8/6/1949; retired from Committee 7/6/1961.

His fund of racing knowledge has always been sought after by those seeking authoritative information and judgment.

A fine sportsman in his day, George is probably best remembered for his prowess on the football field and in athletics.

Mr. W. H. SELLEN

Elected Member of Club 15/2/1937; elected to Committee 8/6/1949; retired from Committee 7/6/1961.

Bill Sellen has been an active and devoted member of Tattersall's since 1937. His Club career interrupted by service during the war, Bill was elected to the Committee soon after his return to civilian life, and he has been a tireless Committee worker since 1949.

Bill is a master printer, and is one of the best-known personalities in the city's commercial circles. In his younger days he enjoyed an impressive record as a swimmer and footballer. He is now a racing enthusiast, and spends much of his leisure time in following his hobby, caravanning.

Bill's enthusiasm for Tattersall's and his devotion to his Committee work is well known. He has been an inspiration to those who worked with him at Tattersall's, and his loyalty has won him the respect and admiration of many.

TULLOCH RETIRES TO STUD

Commonwealth's Top Stake Winner Commands 500 gns. Service

Soon after he became, with Brisbane Cup success on June 12, foremost Australasian stake-winner with £110,123, Tulloch was advertised for stud duties at 500 guineas a service.

His stake-winnings exceeded those of ex-Australian Sailor's Guide, £108,000, but of this only £70,000 was earned in Australia.

All Tulloch's successes were in Australia, where prize-money falls far short of English and American standards. Despite this, Tulloch became the greatest prize-winner of the United Kingdom. His total outstripped that of England's highest stake-winner, Ballymoss, whose wins accumulated £107,165.

Tulloch won the two-mile Brisbane Cup with 9.12, racing away from Sharpay, who had beaten him in the Sydney Cup. He exerted his usual determination in finishing stages to win, amongst the greatest cheering. Tulloch has been a popular horse throughout all his racing, and the public still love him and wish him a stud success.

He will stand at Te Konna Stud, Wimbledon, N.S.W., owned by members of the E.A. Haley family of his owner. Mr. Haley has been breeding and racing horses for nearly 60 years.

He bred horses when yearling prices were rock-bottom and 200 guineas was considered high. He refused 130 guineas for a Bullhead colt he offered and, racing in his own colours, won the 1938 Epsom with 9.4, and many other races.

Tulloch's determination in race finishes, plus his occasional wild misbehaviour, suggest that he is all male and, consequently, completely set as a successful stallion.

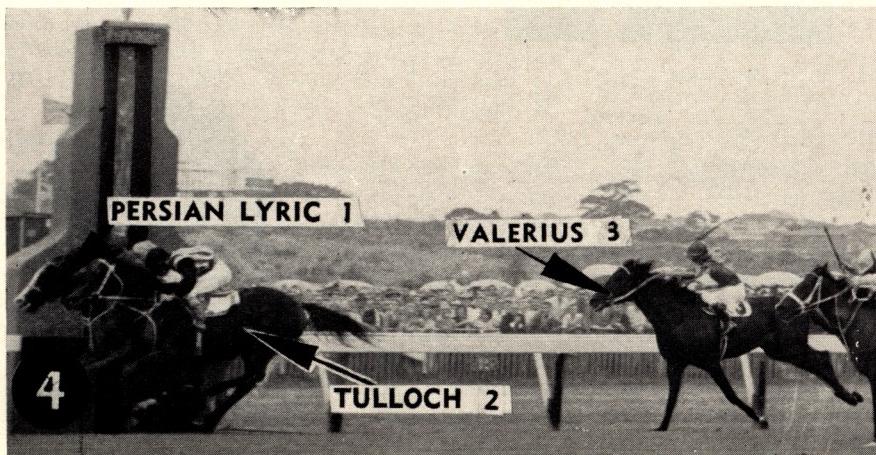

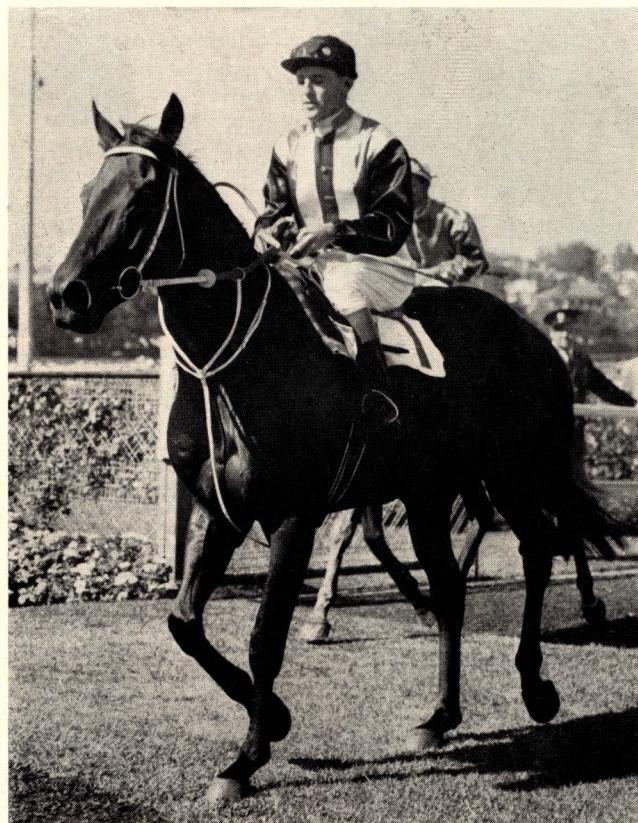

Tulloch's owner, Mr. Haley, has been a member of Tattersall's Club for 51 years.

Mr. Jack Mandel, who has been a member for 31 years, first as a bookmaker and then as private member, won the first leg of the big Brisbane double, the Stradbroke, seven furlongs, with Persian Lyric.

The mighty Tulloch returns to scale once again a victor.

Persian Lyric beats the champion on one of his few losing occasions.

Persian Lyric was bred by Mr. Mandel, and has been a great money-spinner, with success in three £10,000 races—the Derby, A.J.C. Invitation, and the Stradbroke.

With pre-post odds of 25/1 offering, Mr. Mandel had a handsome win over the colt. He began slowly but, with Geo. Moore riding one of the best sprint races of his career, he came through all the openings along the rail to score handsomely.

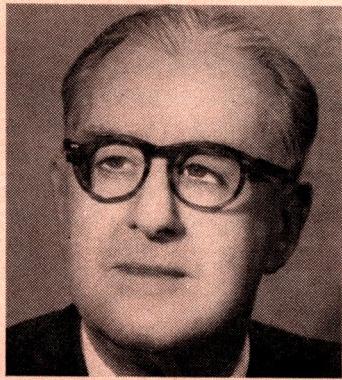

Geo. Moore completed the double in the Brisbane Cup on Tulloch, an achievement which proved that, after a long Australian career and many visits abroad, his brilliance remains undimmed.

Mr. L. I. TIDMARSH
Elected Member of Club
13/3/1950; elected to Committee 9/10/1958.

These are the members you have elected to your Committee for the forthcoming year. They represent commerce, the professions, and sport, and bring to your executive group a wide range of experience in many fields. That they have your confidence is demonstrated by the fact that you have elected them; that they deserve it is borne out by the fact that they have been prepared to give up much of their leisure time and devote their skills to the service of the Club's affairs.

FRANK CARBERRY

Frank Carberry brings to our Chair a long association with our executive body. He was elected to the Committee in 1945, and has been our Treasurer for the last three years. Frank is a well-known oral surgeon and a recognized leader in his profession. A prominent sportsman in his younger days, he is best known for his swimming. In this sport he represented Australia in many contests, and had many Australian titles to his credit. During his long association with Tattersall's he has done much to foster all the sports with which we are connected, and is always a keen spectator at our major sporting functions.

ALICK BUCKLE

Alick Buckle is one of our city's well-known business men, being the Managing Director of A. Buckle and Son Pty. Ltd., manufacturers of belts and braces. He is an enthusiastic bowler, and is Honorary Secretary of our own Bowling Section, where he is a regular player. Alick is also a member of the Wahroonga Bowling Club. He is a keen supporter of Rotary, and works regularly and enthusiastically for this charity. A keen racing enthusiast, he is a member of both the Australian Jockey Club and the Sydney Turf Club. This is Alick's second term on our Committee, for he served on it from 1957 to 1959.

ALF COLLINS

Alf Collins was for many years an active member of the legal profession. As a solicitor with his own practice he earned the esteem and respect of his colleagues and a high reputation in his calling. For some time now other business interests have demanded his attention and, though he still retains his interest in his practice, he is not as active as he was. A keen punter and a recognized authority on racing in all its aspects, Alf was at one time a working racing journalist. He has seen racing all over the world, and is a noted expert on the rules of the turf. For many years he has been a Rugby League enthusiast, and recently was appointed to the Board of the newly formed Eastern Suburbs Leagues Club Limited. This year Alf celebrated his twentieth year on Tattersall's Committee, during which time he has done much to inspire and assist younger and more inexperienced members.

GEOFF EASTMENT

Geoff Eastment is a partner in one of Australia's largest and most respected building and contracting firms, F. T. Eastment and Sons, who have done much of the construction of some of our better-known public and commercial structures. Geoff is a Scots old boy, and is an enthusiastic golfer, being a member of both Bonnie Doon and Pymble Clubs. He is also a keen cricketer, and used to play grade for Paddington. Now, however, he confines his interest to following main fixtures and playing on the Old Boys' team for his school. He is also an enthusiastic handball player, and a regular attendee on our third floor. Geoff now starts his third year as a Tattersall's Committeeman.

BARNEY FAY

Apart from only a few years immediately after leaving school, Barney Fay has always been a bookmaker. He started his career in Brisbane, and later came to Sydney, where he has worked on the major courses ever since. At one stage during the 1930's he was fielding in both places. Before coming to Sydney for good Barney was a Committeeman of Brisbane Tattersall's, where he still retains his membership, but, of course, has since resigned from their executive body. He was elected to our Committee in October, 1959, to fill a vacancy occasioned by the death of Ernie Vandenberg, and has served on it ever since.

CLAUDE MOORE

Claude Moore has been associated with the turf all his life. His father founded the once well-known Moorefield racecourse on land which was owned by Claude's grandfather. Claude was a well-known country property owner for many years, but later came to the city and started one of the best-known furniture stores in the Sydney suburbs. He sold this some years ago, and now confines his interests to racing. He is a well-known punter, and is a Committeeman of the Sydney Turf Club. During his career he has been on the Committees of most of our city's racing clubs and associations. Claude is now embarking on his seventeenth year on our own Committee. During the time he served on it his sympathetic approach to problems has proved a valuable asset.

ARTHUR McCAMLEY

As a Director of E. McCamley and Sons Pty. Ltd., manufacturers of industrial footwear, Arthur McCamley is a prominent city business man, who has been well known and respected in commercial circles for many years. A racing enthusiast, he has owned several horses throughout his career, and is presently racing Ramazan. Always a keen athlete, Arthur spends much of his time on the third floor, where he serves on both the Swimming and Handball Committees, and to whose activities he gives a great deal of his leisure. Arthur enters his first term of office on our General Committee with a reputation for enthusiastic clubmanship, loyalty, and hard work.

"JOHNNIE" NORTON

A prominent figure in banking circles, Johnnie Norton is presently a commissioner of the Rural Bank, an organization he has been with ever since it was constituted in 1933. Previously he was with the former Government Savings Bank. He is a qualified accountant and secretary, and gained first place in the Commonwealth at his Intermediate and Final accountancy examinations. He is a member of many associations and organizations connected with banking and accountancy. A racing enthusiast, Johnnie is a member of both the A.J.C. and the S.T.C. He is also a member of the Warringah Bowling Club, and a member and regular player at our own Bowling Section.

JACK O'NEILL

Throughout his life Jack O'Neill has been connected with the hotel business. His family owned hotels on the North Coast and, when Jack came to Sydney in 1934, he took over the licence of the Town Hall Hotel. More recently he had the well-known Hampton Court at King's Cross, and now has interests in several. Jack has also been on the land, and owned a grazing property for some years. He was educated at St. Joseph's College, where he was a keen sportsman, and subsequently played Rugby Union against the All Blacks. Now Jack's main interest is bowls. He plays with our own section, and is also a member of the City Bowling Club.

LES TIDMARSH

Les Tidmarsh is one of the turf's most spectacular and courageous fielders, and is well known throughout the racing world. He is one of three brothers, all of whom are bookmaking members of our Club. Apart from Les's connection with racing, he is also a prominent businessman with a wide variety of interests, one of which is the Lion Tile Co., a Tidmarsh family concern. Since his election to our Committee in 1958 Les has been a tireless and enthusiastic worker who has earned the admiration and respect of those who have worked with him.

FIRST-SEASON MEMBERS SHOW HOW

First-season members have been showing how to do it in the Pool, with David Keating taking the May Point Score with one off the possible points, and Jock Simpson a "moral" for the current series with three wins straight.

Keating finished off an excellent month with the best swim since he joined up, cutting over a second from his handicap time and losing a second in the process.

Jock Simpson was eased up a second in his handicap and, just to show his appreciation, he has won all three races in the current series and, with a lead of $2\frac{1}{2}$ points from Norm Rogers, who will be a non-starter in the last event, and of $3\frac{1}{2}$ points from Peter Lindsay, looks a good thing for the trophy.

In the race before he started his winning run, Simpson was disqualified for going before his time, but you can bet he is not making any mistakes now. His three wins are the only wins he has had since joining up.

The bad luck story is about Peter Lindsay, who looked a solid challenger for Simpson until he lost a second from his handicap, and then, after qualifying for the final of the last race but one of the series, swam unplaced.

Short of a miracle, Norm Rogers appears to be a certainty for Bill Kirwan's "Native Son" trophy for most points scored during the season, even though he is to miss the last race of the season through business responsibilities.

Sid Kay and Rogers have been having a really keen tussle for the trophy over the last few months, with first one and

then the other snatching a narrow lead.

With a race to go to end the handicap season, however, Rogers won the final, whilst Kay was unplaced, giving the former a $7\frac{1}{2}$ points lead.

Even though Norm will not swim in the last race, Kay has to win the final to beat him for the important prize, so it is only right to say that, short of a miracle, Rogers will be the winner.

By the time these notes are published, the 40 Yards Club Championship will have been decided on July 4 and 6, and a good "go" it will have been.

Though John Devitt is the world's champion, his task is no easy one to beat the present Club Champion, David Emanuel, over the short laps and distance.

Emanuel showed in a race in June that he was in good form, and would give Devitt a real battle.

Bob Harris has been off-colour for some time, but a reappearance during June saw him receive a second from Norm Rogers and beat him in 21.7 secs. Since then Bob has run into more trouble, and is out with injured ribs.

We mentioned in a previous issue that ex-diving champion Arthur O'Connor was enjoying his sport in the Athletic Department, and now he's like a dog with two tails, as in his last race he improved his time to 23.9 seconds and,

though he lost two seconds in handicap, Arthur is really tickled pink.

Welcome to new members Barry Aboud and Ken Humphrey. Ken is going to make them all sit up next season, as he was clocked at 21.8 in a recent race.

Arthur McCamley has come good in the past month with a brace of thirds in finals to add to his win with Ramazan and his election to Tattersall's Club Committee. Congratulations, Arthur, on all counts!

Whilst on the question of the Club Committee elections, here's a pat on the back to Geoff Eastment on his topping the poll. Geoff has had a couple of successful race swims this season.

It was good to see our entertaining friend, Fred M. Daly, M.H.R., having a race recently. What is more, Fred won his heat with John Devitt as partner, and the pair were only just touched off in the final. Fred leaves for overseas soon, and the boys all wish him a good trip.

Best swims of the month were by John Devitt, 17.6 secs.; Norm Rogers, 20.3 and 20.5; and Bob Harris, 21.7; whilst those who were frowned on by the handicapper and had their handicaps reduced were David Keating, Arthur O'Connor, and Peter Lindsay.

SPARKLING GAMES PROMISED BY SECOND ROUND DRAW

Progress through to the end of the first round in the Club Billiards and Snooker annual event, and Tattersall's defeat of both the Schools Club and the N.S.W. Sports Club in the inter-clubs' competition highlighted last month's activities. Many interesting games were played in our Club competitions, and everyone is looking forward to some sparkling encounters during the second round.

Outstanding performances this month Snookerwise were Sam Herford, Gersh Fienberg, Fred "Chief" Vockler, Ron Johnson, George Cohen, Sam Peters, Perry Roach and Hans Robertson.

Many games were battled out on the colours, and perhaps the most notable display was the Gersh Fienberg versus Fred Vockler match. Fred was indeed unlucky to lose 81-75 to Gersh. Fred does not play much snooker these days; however, it is always a pleasure to see him in action. Gersh, by the way, goes up in the list of favouritism. His was a fine fighting knock under pressure.

Billiardists who have shown good form are Cyril Oswald-Sealy, Geo. Mously, Bert Tonks and Roy Bryden.

BEST BREAKS — JUNE, 1961

W. H. (Bill) Longworth provided a sparkling 134 break in a billiards game against Geo. Mously upstairs and, from all accounts, the "Master" is in top form.

Peter McGrath surprised with a 30 snooker break in the Inter-club Competition against N.S.W. Sports Club.

COMBINED CLUBS' SNOOKER COMPETITION

First round. — Tattersall's defeated Schools Club 3-0. Tattersall's team: No. 1, Roy Bryden and Ken McDonald; No. 2, Bert Tonks and Peter McGrath; No. 3, Len Williams and Vince Kirby.

Tattersall's defeated N.S.W. Sports Club 2-1. Tattersall's team: No. 1, Roy Bryden and Ken McDonald; No. 2, Bert Tonks and Vince Kirby; No. 3, Sid Lane and Peter McGrath.

Our teams played excellently on both occasions, and the Sports Club match was somewhat sensational, in that each side had to play the third and final frame and two boil-overs resulted. Our No. 1 team lost on an in-off the potted black, and Sports Club No. 2 team sportingly obliged in exactly the same fashion, a foul on the potted black. Tattersall's No. 3 team won 2-1 to take the rubber.

Members are reminded that all are welcome to enter their names for these events, which are played fortnightly, home and away.

WE LOSE TO CITY TATTERSALL'S

In a match between the Bowling Section and City Tattersall's last month we suffered a convincing defeat. However, it was a match full of interest, in which were featured many of the top bowlers in the State. All those who played are keenly looking forward to the return match, which is scheduled for the end of the year. At that time our players hope to get their revenge.

Both sides produced their best bowlers, and it was no disgrace to be beaten.

The teams were of 44 players a side, with the top names in the bowling world on both sides.

City Tattersall's was represented by State bowlers Aub Sargeant, Vic Hayes, W. Truelove and top-line Skippers R. Udcroft, S. Green, C. Lamont, B. Stark, S. Pauncett, and Sam Macguire.

Amongst Tattersall's Skippers were Stan Owen, H. Hill, K. Ranger (who, by the way, beat Aub Sargeant 16 to 14), J. Kellaway, J. Eaton, Frank Geddes, G. Booth (who lost 28 to 11), Sam Peters and J. O'Neill.

Altogether it was a very good day, as our hosts provided a nice lunch and high tea which was well up to their usual high standard.

We are looking forward to a return match at the end of the year at Double Bay when, as hosts, we hope to even the score.

Trophy winners at Double Bay for the month were: Andy Robinson, D. McFarlane, A. Buckle, Dr. Reay (a visitor from New Zealand), Issie Silk and Tony Stenmark, a guest of Noel Hough and Alex Gibson.

On the 22nd June there was a nice gesture by Alex in the form of a

"Forezza" after the game to celebrate his 21 years of married life.

Trophy winners on June 17 were Fred Empson, Fred Gawler, Noel Hough and Jack Eaton.

Visitors for the month were Les Cubitt, Ern Mackie, W. McKay, Dr. Reay, Vic Hayes, and Bob Barrett.

A nice tribute was paid by our President to Alex Buckle in being elected Treasurer of our Club. Also to Johnny Norton and Jack O'Neill in being elected to the Committee. No doubt the bowlers are well represented, as Barney Fay is also a member of the Bowling Section.

Quite a few of the regular bowlers are going up to Surfer's for holidays and the Bowling Carnival for the month of July.

President Gordon Booth is making his usual visit, and Alex Buckle is going up for the month for both holidays and bowls.

Ken Ranger is taking up a strong team for the bowling week commencing on the 8th July. The team is Jack Pick, lead; Ken Williams, second; Ken Ranger, third; and Harold Hill, Skip.

They should certainly give a good account of themselves.

Jack Pick, Ken Ranger and Alex Buckle are presenting the trophies for the Surfer's Paradise bowling week.

BOWLER OF THE MONTH

Fred Vockler is back bowling again with the boys. Here he is all rugged up for the winter. Fred is one of our sunny weather bowlers and, when the weather is cold, comes out with all the gear about the place—at least three sweaters, and he would like to play in an overcoat if it were permissible.

He's in the medium class of bowlers, but invariably holds his own with the "Death Adders" on a Friday.

○○○

Rumour has it that Bella let his head go over a few glasses last year and made promises for this year's trophies.

Ken and Alex also agreed, but old campaigner Harold Hill just sat mum, and so his name does not appear on the trophies as a donor. The trophies are being shown in the windows up at Surfer's.

Sam Peters is also making the trip, and Fred Empson is going up for a month's holiday.

Cedric Emanuel is taking up a strong team comprising Jack Neill, Bernie Larkin, Bert Levy, and possibly others I have missed.

Maurice Watson will be in charge of the Bowling Section in the absence of the President and Secretary.

Members in Queen's Birthday Honours

Once again Tattersall's members feature in the Queen's birthday honours list. This time in the persons of Charles Moses, who was knighted, and Robert William Charles Anderson, who received the O.B.E. To them we offer our sincere congratulations on their well-merited distinctions for outstanding contribution to the community.

Sir Charles Moses has been a distinguished member of our Club for some time, and his unassuming but forthright personality has won him many friends amongst our numbers.

Sir Charles is well known as the general manager of the Australian Broadcasting Commission, a post he has filled with distinction since 1935. He has been one of our country's cultural and sporting leaders for many years, and was responsible for establishing the Sydney Symphony Orchestra, through negotiation with the State Government and the Sydney City Council, in 1945.

Of English birth, Sir Charles graduated from Sandhurst army college and served initially with the British Army. In World War II he had a distinguished career with our own forces, serving in Malaya and New Guinea. He attained the rank of Lieut.-Colonel.

Robert Anderson is also one of our well-known members who enjoys the respect and friendship of a large proportion of our membership. He is a Director of the Chamber of Manufactures of Australia, and one of our city's business leaders.
